**FLOODING.** ONE OF THE CLASSROOMS IN THE SIERRA LEONE SCHOOL.

# Aid for Sierra Leone needed

Although much work has already been contracted out there is still more to be done

As reported in SUR in English last June, Gibraltar charity Akin (Association for Kids in Need) has been raising money for the desperately needed refurbishment of the Regent Primary School in Freetown, capital of the poverty-stricken Sierra Leone. Phase II in-

volves the building of much needed toilet facilities. AKIN would like to receive vouchers from retail outlets and restaurants to raffle, and donations. Volunteers are also needed.

Full details can be obtained from the Akin website, [www.akin-charity.org](http://www.akin-charity.org), or by phoning Gibraltar (00 350) 20052919, 20059131 or 57631000.
